ARE YOU OVER THE AGE OF 45 AND HAVING DIFFICULTY READING A BOOK, NEWSPAPER, PHONE, OR COMPUTER?

Volunteer Requirements

- Healthy
- Male or female
- Between 45-64 years old
- Need reading glasses to read near distance
- Able to comply with all study visits

The Eye Institute of Utah, Dr. Randy B. Carter, OD is seeking participants for a research study investigating the use of a medication (eye drops) to treat difficulty reading after the age of 45 (Presbyopia).

If you take part, you will complete 12 office visits; each lasting 1-2 hours:

The Eye Institute of Utah, 755 E 3900 S Salt Lake City, UT 84107.

If you qualify to be in the study, you may receive financial compensation for time and travel. Study-related medication and exams will be provided at no cost to you.

For more information, please contact Allison Hales or Lexi Guild at 801-263-5735 or ahales@theeyeinstitute.com, lguild@theeyeinstitute.com.
